

## National Winners

2015 Telstra Australia Business of the Year  
- Regional Award category

At Southern Cotton, we are recognised for our dedication to best management practices. Our gin achieves BMP Accreditation each year and our award-winning team go above and beyond to ensure growers receive exceptional service.

Our ginning contracts are designed to deliver both competitive ginning rates and tailored services.

**Talk to us about your contract options**

**"Southern Cotton has been wonderful from the start of our relationship. They have been very helpful in guiding data technology and always follow through on everything."**

Coleambally Grower Donna Wiseman

### At Southern Cotton, we don't just gin your cotton; our built-in service and point-of-difference include:

- Timely ginning
- Tailored logistics
